

IFS2020

A Strategy for Ireland's International
Financial Services sector 2015-2020

High Level Implementation Committee Terms of Reference

June 2015

The Public Service High Level Implementation Committee will, in consultation with the IFS Industry Advisory Committee:

- ensure a coordinated and strategic approach to the growth and development of Ireland's IFS sector with a particular focus on job creation, driving innovation and entrepreneurship and growing investment and exports;
- provide strategic leadership to ensure coordinated, timely and effective implementation of Ireland's International Financial Services Strategy, IFS2020;
- identify appropriate resolution pathways for barriers and constraints in implementation of the IFS2020 Strategy, or in developing the industry more generally;
- review and report quarterly to Government on progress in implementing the IFS2020 Strategy through the Action Plan for Jobs monitoring structure;
- identify appropriate actions to be taken to facilitate the growth and development of the sector and ensure these are included in the Strategy for following year (following the successful Action Plan for Jobs model);
- Ensure synergies with other relevant existing and future Government Strategies and Action Plans.
