Des,

Are you still up for meeting with Cerberus at 1pm tomorrow (Friday). As discussed, just a general update on their interest in Ireland and various processes they have been / are involved in. I have a room booked at the NTMA if that works better for you. Otherwise I will go ahead and host them here at the Department.

Liam Strong: partner of Cerberus European Capital Advisors running Operations for Cerberus in Europe.

Matthew D. Hansen: Partner, Private Equity Managing Director, Cerberus European Capital Advisors.

Let me know.

Declan
